

STUDIO J MAY 2018 NEWSLETTER

Dress Rehearsal (Saturday, May 19th) and Recital (Sunday, May 20th) Information

Edmond Santa Fe High School Auditorium

All Dancers must attend dress rehearsal at their scheduled time and remain backstage until released. All dancers will wear their costume for dress rehearsal. During dress rehearsal please sit in the auditorium and then we will call each group back when it is their time to be backstage. Please be 15 minutes early for your scheduled dress rehearsal time. When they are done dancing and ready to be picked up their class will be sitting on stage waiting for you to come and get them.

You may video the dress rehearsal, but not the recital. The recital will be professionally done.

During the recital your child will sit with you during the Acts of the recital that they are not dancing in and they will be backstage with Studio J staff during their Act of the recital that they are dancing in. All dancers will stay backstage for the entire Act they are in! Exchanges will happen before the show and during intermission only. Do not come backstage during the show!
