

STUDIO J

School of Dance

We are so excited to begin our 14th season with you! Thank you for trusting Studio J with your dancer's and family's needs. We are honored to serve you this season!

Starz!

Studio J will be auditioning dancers ages 6 to 9 for our Starz Company. Starz is our company that we have built for our younger dancers. It is our joy to offer motivated dancers more opportunities to learn and grow in the dance world. There will be a parent info meeting on Wednesday, September 19th at 7:30pm and the audition will be held on Friday, September 21st 5:00-6:30. Dancers must be enrolled in Ballet or Jazz at Studio J.

Tuition

Tuition is calculated based on the entire season (September – May) and divided into monthly payments for your convenience. The number of classes per month will vary due to holiday breaks, however this will not affect the monthly tuition rate. Tuition is non-refundable, but is transferable. Tuition is due the first week of each month and may be paid by cash, check, or credit card. You may pay in studio, online at www.studiojdanceok.com, or take advantage of our convenient auto-pay option. Stop by the front desk for more payment information.

There is a \$25.00 charge on all returned checks and checks will not be processed more than once. A \$10.00 late fee will be added to accounts not paid by the 15th of each month.

Theme Months

This year we will be having special Studio J theme months! Each month a theme will be chosen and each week will have a special activity to go along with that theme. Please check your email on Fridays to learn more information about each week's activity!

Parking

Parking is always hectic the first couple of weeks of classes until everyone gets into the flow of how things work. We have a big parking lot that we hope to utilize the best way possible for the studio and for the other businesses. If you are staying with your dancer while they are in class please use the spaces that are in the center of the shopping center parking lot and not directly in front of a business. If you are dropping off feel free to park in front of the studio, but make sure that you do not use a space in front of our neighboring businesses. Thank you for your help!
