Melody Makers (Parent/Child Music Class) Music enhances the overall development of children from birth through adulthood. Begin the journey of musicianship with your child. This class will include singing, instruments, stories, movement, and simple music concepts.

Young Musician (Ages 7-11) The benefits of music education enhance academic, social, and emotional development. In this course age appropriate lessons in rhythm, movement, musical concepts, and stories will be taught. This class will have an end of the semester showcase.

Show Choir (7th grade+) The combination of singing, dancing, and performing all come together as students prepare for community performances. Opportunities for small groups, solos, and pull out dance moments will be offered in this class as students enhance their ability to become a "triple threat". This class will have an end of the semester showcase.

Take A Bow (1st-6th grade) & **Standing Ovation** (7th-12 grade) This course is for students that are excited about singing, dancing, and acting! The application of theatre education, paired with musicianship and dance, will create confidence in students as they work toward performance of a final product. This class will be taught by a certified music educator with extensive experience in musical theatre and performance training. End of the semester show for Take A Bow is "Disney's Cinderella Kids" and "Elf the Musical" for Standing Ovation. These classes will have a production fee of \$100 due first month of each semester. This is a semester class that will re-enroll in January.

Darby's Dancers provides a fun and encouraging activity for children with special needs to strengthen muscles, increase coordination, build confidence and form lifelong friendships. Darby's Dancers is a 501(c)(3) organization dedicated to providing dance classes to children with special needs at no cost to their parents.

At Studio J, we strive to make things as easy as possible for busy families. One way we do this is by streamlining our recital fees into a monthly performance fee.

There are **NO EXTRA** recital participation fees and costume fees.

Our dance season runs like a standard school year, beginning in September. Program rates are based on the total season's program, not a specific number of classes within a month, and is conveniently divided into 9 equal payments.

Save 5% on class tuition with our "Multi" Discount. When you register for more than one class, or more than one child per family.

REGISTRATION: Class sizes are limited and fill up quickly. Registration will be accepted on a first come, first served basis beginning on April 6th. **A registration fee of \$35 is due at time of enrollment to hold your child's spot.** For these reasons, you may wish to register as soon as you know your fall schedule. Once registration is received, a place will be reserved for you. By holding your spot, others may be prevented from joining the class, so please notify the studio immediately if you need to change or drop a class.

Full Year Payment Discount: SJ offers a **5% discount** to families paying for the dance season in full in September. There are no refunds or credits for full year payments if you discontinue, for any reason, mid year. We also offer a 10% military discount.

Automatic Payment Plan:

For those families preferring to pay monthly, accounts will be set up on a convenient Automatic Payment Plan. Fees will be withdrawn on the 5th of every month. At the time of registration, you will choose to have your Visa, Master Card, Discover, or American Express automatically charged for the remaining payments.

If, for any reason, you need to cease your year's tuition obligation to Studio J, simply submit a written notice to the office by the 15th of the month prior to when you plan to discontinue. Once notification has been received, your Automatic Payment Plan will be inactivated. You will not receive a refund for classes you did not attend if you discontinue in the middle of the month.

PLEASE NOTE - There is no such thing as taking a month off. Monthly payments are for a portion of the year, not a specific month of lessons, and a space is reserved for your child in a specific class based on this schedule. Therefore, tuition payments will be charged every month regardless of whether you attend the scheduled class or until we have received your written discontinuation notice.

SJ offers no refunds, deductions or credits for missed or discontinued classes. You may, however, attend a make-up class if you must miss your own, due to illness or other circumstance. Although the studio will be closed for some holidays during the dance season, these are not paid classes and do not need to be made up. Students must complete the full dance year to receive their recital costumes.
